

INDIA EUS SUMMIT 2021

15, 16 & 17th January 2021

VIRTUAL CONFERENCE

Supported by

CONFERENCE BROCHURE

Welcome Message

“Life affords no greater responsibility, no greater privilege, than the raising of next generation.”

We, at The Medanta Institute of Digestive & Hepatobiliary Sciences, Gurugram in association with India EUS club, take immense pleasure in announcing the “3rd India EUS summit 2021-Virtual from 15th to 17th January 2021.

The Institute of Digestive & Hepatobiliary Sciences, Medanta the Medicity is a dedicated facility for patients with Gastrointestinal, Liver, Pancreatic and Biliary Diseases. We are committed to provide comprehensive treatment options suitable for individual need of patients. The institute has devised protocols where medical, surgical, and allied teams jointly decide patient treatments and management”

EUS is now an established method in the diagnosis and management of oesophageal, gastric, biliopancreatic, ano-rectal disorders and intramural lesions of the gastrointestinal tract and is considered standard of choice for different interventional diagnostic and therapeutic procedures.

The 3rd India EUS summit 2021 will feature eminent international experts from the world of EUS who would enlighten us with their experience and best practices. We look forward to provide you amalgam of keynote lectures, panel discussions, pro-con sessions and orations. The summit also features our exceptional national faculty, and we are sure that their expertise and skill will be of utmost benefit to the delegates.

In light of the ongoing Covid -19 scenario, the event had to be switched over to a virtual platform keeping the health and safety of our colleagues in mind. We are taking every step to make this experience educative, seamless, relevant, and individualistic. We hope that you have a fruitful learning experience in this academic bonanza.

Looking forward to host you virtually.
